

PETITIONS BEARING 20% OF VOTERS' SIGNATURES NEEDED TO HALT MERGER

First expressed opposition to the revived plan for a proposed consolidation of high school districts into a county-wide junior college at San Mateo was put on record Monday as the San Mateo County Board of Supervisors set January 11 at 10 a.m. as date for hearing on the merger petitions presented by Homer Martin, San Mateo school superintendent.

The protest came from South San Francisco, which with Sequoia, Half Moon Bay and Jefferson districts will be merged with San Mateo's High School and Junior College District under the proposal which was first officially put forward last year, dropped because of opposition at mass meetings, and now suddenly brought to a head.

Approval of Martin's petitions was mandatory on the board of supervisors.

ALLOWS MONTH FOR PROTEST

The date for the hearing allows one month for the circulation of possible petitions of protest, which, to be effective, will have to contain 20 per cent of the voters in any one of the four contiguous districts whose annexation is sought.

Should no such valid petitions of protest be presented, then it will be mandatory on the supervisors to accept the merger as automatically accomplished.

Should petitions, containing the required number of signatures, be offered, however, then the hearing date will allow another month for an election to be called for a vote on the consolidation.

South San Francisco's protest was purely informal, since it contained only the signatures of representatives of the city, Business Men's Association, Chamber

Annual Kiddies' Yule Party Set By Market

Joseph Territo, proprietor, announced today that Territo's Super Market annual kiddies' Christmas party would be held next Tuesday evening, December 22, at 7:30 p.m.

Santa Claus will be present and there will be free candy for every boy and girl attending, Territo said. He invited everyone to "plan to come and join in the fun."

Mr. and Mrs. Robert S. Odell arrived home this week from a four-month trip to Europe. Mr. Odell is shortly to erect several houses for rent on his estate at Atherton.

The rain fall for the recent storm was .84 inch, making the total 1.52 inches for the season. This is less than half of the rain fall at this time last year. A crop of mushrooms has appeared. The growth is due to the warm nights.

Alfonso Arellanes, who was instantly killed on the highway near San Francisco bridge at 2 a.m. Sunday, was buried from the Church of the Nativity Thursday morning. Interment was in the national cemetery at the presidio, San Francisco. Arellanes was past president of the Menlo parker, Native Sons of the Golden West, and had an active interest in the organization. He came from an old Spanish family whose history dates back to the Mission Days.

Until recently he worked at the Veterans' Hospital for a private painting concern. Arellanes was highly esteemed by all who knew him. He had many friends in Menlo Park. He was born at Salinas but spent his youth in Watsonville. He lived with his sister here. Arellanes was walking on the highway when he was hit by the car of J. A. Scharin, a Stanford student.

Julius Girmind, 60, a retired gardener, was severely burned Monday when his dwelling on Oak Grove avenue caught on fire. When Fire Chief Thomas Cuff attempted to throw out the mattress of the aged gardener, he found a scorched purse containing several thousand dollars and Girmind has large property interests in Menlo Park. He has lived the life of a recluse for several years.

Menlo Park Townsend Club met Thursday evening for a Christmas whist party at the Central School auditorium on El Camino Real, Menlo Park, at 8:30 o'clock. E. J. McLoughlin was chairman.

Menlo Park Woman's Club held a joint meeting with the garden section at the home of Mrs. T. E. Foster on Alameda avenue, Atherton, which was decorated to carry out the theme of the holiday season. Selections from Christmas poems were given in response to the roll call. At the business session a new member, Mrs. G. W. Webb of Palo Alto, was enrolled, and plans were made for the club members to distribute Christmas baskets among needy families. After the meeting, gifts were exchanged and a dessert-tee enjoyed.

Next meeting of the club will be a 12:30 o'clock luncheon to be held January 11, at the home of Mrs. R. L. Stone, 144 Victoria road, Burlingame.

Surplus mates were precipitated to the fore in San Mateo County's Superior Courts this week as one man was granted annulment of his marriage to a woman with too many husbands, and another woman sought freedom from an equal excess of husbands.

The annulment was granted Alfred Winter of Vancouver, who married Mrs. Marie Winter here in April, only to find out later that her marriage to another man was still in force.

At the same time Mrs. Ara V. Dickinson of Burlingame asked annulment of her marriage April 14, 1932, to Otto G. Dickinson of Vancouver. She discovered recently that an earlier marriage she thought dissolved was still in force, and her first husband living.

Yule Bonus Given R. C. Bank Employees

An early Christmas present was given members of the local staff of the American Trust Company as officers of the San Francisco head office announced today a Christmas bonus equalling one-half month's salary to all officers and employees of the bank. Deficient Scholars Mailed 'Pink' Warning

Pink warning slips, informing students that they are in danger of failing in their scholastic work, were mailed out today to Sequoia high school students who are on the "danger line." Encouraging alike to students and instructors, however, is the fact that fewer of the pink slips were necessary this time than last quarter.

SOMETHING FOR THE CAR MAKES GIFT SELECTION EASY

Santa Claus should be able to make his annual delivery trip in the utmost of ease if Mrs. Santa Claus takes a tip from the great number of auto accessories that are being stuffed in the old gent's bag for delivery on Christmas Eve. This is the opinion of Mr. Vernon Jones, resident manager of the Western Auto Supply Company, who points out that the gift problem is easily solved by selecting something for the car.

Sequoia Board Will Consider J. C. Proposal

With evident opposition forming here to annexation of the Sequoia Union High School District to a county-wide junior college district, Pres. James D. Hedge of the Sequoia trustees said today that the board would consider at its meeting this evening what, if any stand, they would take on the proposed expansion of the San Mateo college district.

Hedge said that he believed it a duty of the Sequoia board to give consideration to the matter. "Annexation of this district to the college district would forever preclude the possibility of establishing a junior college here," he explained.

BOARD IGNORED

Although the junior college officials conferred with the Sequoia trustees last February on the county-wide district plan when it was first broached, they have not appeared before the board since the proposal was revived.

Simultaneous with Hedge's announcement, Pres. Matthew A. Harris of the influential Civic League announced that he personally would oppose the amalgamation, and would discuss with the executive committee of the league possibility of that organization interesting itself in the matter.

He considered it doubtful, however, if the league as a whole, which represents the entire county, would take sides in the controversial proposition.

TAX JUMP HERE SEEN

Formation of the county-wide district will distribute the tax load over the entire county. San Mateo district, with a valuation of \$49,174,280, pays 20.2 cents per \$100 valuation towards junior college upkeep. The rest of the county, making up the rest of the \$105,000,000 valuation, pays 4.7 cents per \$100.

Immediate effect of the merger would be to raise taxes in the districts sought to be annexed, and lower them in the San Mateo area. Just how great the raise would be

GLOOMY CHRISTMAS LOOMS UNLESS MORE TOYS GIVEN

Christmas is going to be a very desolate and disappointing time for many children in Redwood City. Or so it would seem, unless the more fortunate children and adults, realizing that it is not only "more blessed" but also more fun to give than to receive, hurry to respond to requests for gifts for the Sequoia Times-Tribune Toy Stack.

Although a few toys have come in to The Tribune office and to

the high school, there are many more pathetic pleas from needy parents for help in making Christmas a merry one for their youngsters than there are toys to answer those requests.

These parents believe hopefully

TOY PILE

(Continued from Page 1)

But unless the toys come in, they will have to be disillusioned and told that there is no jolly saint who remembers both rich and poor.

But The Times and Tribune aren't ready to believe just yet that the needy of the community are going to be forgotten this year. There is still time for new toys, books, games and dolls to be left at The Tribune office and at Sequoia high school, where Santa may add them to his pack.

And Saturday morning children will be able to do their part and yet receive something in return for their generosity besides the joy of giving, for Saturday morning there is to be a special Toy Stack show at the Redwood Theatre for youngsters. Admission will be one toy, and there will be a full-length feature and many variety short subjects especially to interest children.

Don't wait. Bring or send in your contribution now.

Yule Publication In German Made By R.C. Students

A Christmas edition of "Klassenklatsch," a magazine prepared entirely in German by German students at Sequoia Union High School, was distributed this week to each German student at the school. Done in Yuletide colors,

two shades of blue and silver, the magazine will contain illustrations. Begun as a project in German composition, the magazine will appear every two weeks, dealing with a variety of subjects—international economics, German history, sports, humor, household and "lovelorn" hints, miscellaneous items and even a cross-word puzzle, and a serial story, written by one of the class members. On the magazine's staff are Mar-

gery Greenlaw and Florence Eastburn, associate editors; Donald Miller and Kirk Stevenson, international economics; Charles Meyer, German history; Mervin Bruck and Melvin Burkard, sports; Kirk Stevenson, staff artist; John Dusel, humor; Russell Newman, "household and lovelorn hints"; Howard Fitzpatrick, miscellaneous; Ray Kyle, columnist; James Fairley, rewrite editor; and Donald Miller, typist.

Preventorium to Take Late Contributions

Tardy contributions to the San Mateo Preventorium's drive for funds will be accepted after January 1, the date set as the closing time for the campaign, it was announced today.

"We have to raise \$12,000 to assure continuance of the preventorium's health program for the children of the needy in San Ma-

teo county," said Mrs. Harry S. Dana, president of the organization.

"We would much rather have late contributions to the cause than none at all."

So far response to the drive throughout San Mateo county has been cheerful.

IN CITY AND COUNTY TAXES

Pacific Gas and Electric Company again is the largest taxpayer in California. Local taxes levied upon our properties for the fiscal year 1936-37 amount to the grand total of \$7,318,000.

We have just finished paying our first installment with checks to cities, counties and districts, aggregating \$4,980,000.

The Company not only is the largest taxpayer in the State—it is the largest taxpayer in each of 25 counties. Every county, every incorporated city and town, every school and other district in which we operate, shares in the large amount of taxes we pay.

Our tax bills range from the \$1,549,418.39 paid to the City and County of San Francisco to only \$9.55 paid to the town of Biggs in Butte County. Biggs operates its own electric distribution system and therefore receives no taxes from that property.

In addition to paying \$7,318,000 in local taxes, the Company pays a State corporate franchise tax of \$445,742. It also pays Federal taxes—taxes on electricity, taxes for social security, income taxes and other levies. All these will raise the Company's total tax bill for 1937 to approximately \$14,000,000—more than 14 per cent of the Company's entire annual income.

MENLO PARK MAN BURNED IN HOME FIRE

Julius Girmindl Has Narrow Escape From Death

MENLO PARK, Dec. 17—Awakening from sound slumber to find his home at 727 Oak Grove avenue a mass of flames, with the fire raging the hottest at the one open way to the outside, Julius Girmindl of Menlo Park barely escaped death Monday morning by leaping through the blazing inferno to safety.

He was severely burned about the head, shoulders and arms. The fire, of undetermined origin, started on the front porch and rapidly enveloped Girmindl's sleeping quarters before smoke and flames aroused him.

Menlo Park district firemen were able to confine the fire to the porch and one of the rooms, the rest of the house being undamaged. First aid was given Girmindl by the firemen.
